General Mills Box Tops for Education

This program is going digital! Simply download the **Box Tops for Education** app onto your phone, create an account (you will be prompted to register Fairburn Avenue Elementary as your school), and then any time you purchase a General Mills product simply scan your shopping receipt and the school will get a rebate. You can still collect General Mills box tops and drop them off in the Box Tops box in the school office but this part of the program is going to be phased out eventually.
