

January 22, 2020

Dear Friends,

We are writing to invite your participation in an auction to benefit the students and teachers of Fairburn Avenue Elementary School. During an era of deep budget cuts in the Los Angeles Unified School District, parents and community members have stepped forward to fill in the funding gaps. At Fairburn, parent volunteers have rallied to organize this annual fundraiser to support a number of essential programs—from art education and PE instruction to computers, field trips and teachers' aides in classrooms—that are not paid for by the LAUSD. Proceeds from the auction directly support these activities and benefit several hundred diverse school children and their teachers.

Your donation will be actively publicized to a broad community on the auction web site and through social media. This is a great way to reach new customers as well as to garner appreciation from the loyal Fairburn customers you already have.

The auction will take place March 27 – April 3, 2020.

We kindly ask that all donations be provided in a **digital format** in an effort to conserve resources.

For your convenience, a donation form is attached. Please complete the form and return via email or US mail (Donations are tax-deductible to the full extent of the law). For your convenience, we can also arrange to pick up gift certificates if they cannot be provided digitally, **but physical items will NOT be accepted.** Please feel free to call or email with any questions you may have and please note that gift certificates and special experiences are always welcome! Please note the auction date when adding the item expiration date – we would appreciate that items are good for at least 12 months after end of auction on April 3, 2020.

Thank you so much for your consideration. Your donation to the Fairburn Avenue Boosters Auction will make a difference and we are grateful for your commitment to the community we share.

Sincerely,
Fairburn Avenue Boosters
1403 Fairburn Avenue Los Angeles, CA 90024
FED TAX ID# 95-3925264
